**INDEPENDENT AUDITORS' REPORT**

**To the Members of JSW Natural Resources India Limited**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of JSW Natural Resources India Limited ("the Company"), which comprise the balance sheet as at March 31, 2025, and the statement of profit and loss, including the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, ("the Act")as amended in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit including other comprehensive income, its changes in equity and the cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Material Uncertainty Related to Going Concern**

We draw attention to Note 15(h) in the financial statements, which indicates that the project activities at Kulti-Sitarampur Coal Block being put on hold due to cancellation of the allotment of the said Coal Block. As stated in Note,15(h)these events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

**Emphasis of Matter**

We draw attention to the following Notes to the Financial Statements

Note no. 15(h) & 15(i) regarding the project activities at Kulti-Sitarampur Coal Block being put on hold due to cancellation of the allotment of the said Coal Block. However, in view of the new Policy of GOI on allocation of Coal Blocks and Coal linkages from Coal India Ltd, the Company is hopeful of establishing fresh coal linkages with support of Gov. of West Bengal. The management estimates development and pre-operative expenses amounting to Rs. 97.95 crores incurred up to 31-03-2014 as recoverable from WBMTDC. Accordingly, the decline in value of investment and impairment of assets as per Ind AS 36 is not considered necessary by the Management.

Our opinion is not modified in respect of this matter.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in company's financial statements but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed we conclude that there is a material misstatement of this other information, we are required to report that fact, .We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's and Board of Directors use of the going concern basis of accounting in preparation of Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

h. The Company has been in the process of setting up coal mines project at Kulti-Sitarampur coal blocks in West Bengal, under Sole and exclusive Coal Raising Agreement entered with WBMDTC dated March 31, 2010, for raising the coal to be "exclusively used in Integrated Steel Plant Complex at Salboni of district Paschim Medinipur in West Bengal", being set up by its Holding Company. However, since the allotment of this coal blocks have been cancelled by order of the Supreme Court read with Schedule I of The Coal Mines (Special Provision) Act 2015 , the above mentioned agreement would no longer be valid. The Company , is in the process of exploring certain alternatives to resource the long term coal supply linkages and has also taken up with GOWB to resource long term coal supply linkages as per its commitment in the Development Agreement dated 11th Jan 2007 signed for the Project. In view of the new Policy of GoI on allocation of Coal Blocks and Coal linkages from Coal India Ltd ,the Company is hopeful of establishing fresh coal linkages with support of Govt of West Bengal. In view of given circumstances, at this juncture, there is no necessity of impairing the assets and investments as per provisions of Ind AS 36." Pursuant to clause V(1) of the said agreement, the Company had paid interest free Security Deposit of Rs. 18,750,000/- (Previous Year Rs. 18,750,000 for WBMDTC). WBMDTC has assured that, once the fund is released by Ministry of Coal on allocation of these coal blocks to successful bidder, they will refund the expenses incurred made by the Company related to coal blocks. This balance is classified as non-current financial assets considering that the process may take some time. However, computation of financial assets using EIR is practically not possible in the absence of a timeline within which this amount will be received by the Company and hence carrying amount is taken as amortised cost for the purpose of reporting.
