  - (d) *Simplified structure and management efficiency:* The proposed amalgamation will result in a simplification of the existing corporate structure and eliminate administrative duplications, consequently reducing the administrative costs of maintaining separate companies, while reducing the multiple legal and regulatory compliances.
  - (e) *Enhancing presence in central India:* The Transferee Company does not have manufacturing presence in central India. Pursuant to the proposed amalgamation, the Parties shall be better positioned to service customer needs basis their combined portfolio of products and marketing capabilities in central India.
