To Whomsoever It May Concern

Subject: **JSW Steel Limited** — Coated products manufacturing at Vijayanagar Works

This is to advise and confirm that JSW Steel Limited, Vijayanagar Works, manufactures coated products (**GA,GI,GL,ZM, PPGL,PPGI**) using slabs produced via steelmaking processes that involve either a Blast Furnace or a Corex Plant, followed by basic Oxygen furnace steelmaking and continuous slab casting.

The Slabs used for coated products contain approximately 12% scrap charge. All scrap used is classified as pre-consumer scrap, which is generated internally during the steelmaking and rolling processes. No post-consumer scrap is used in the production of these Slabs or the subsequent Processing.

This declaration is issued for necessary reference and record.
